

TRUMAN HONORS MACARTHUR—President Truman presents a fourth oak leaf cluster to the distinguished service medal to General Douglas MacArthur during their meeting on Wake Island. The medal was for "distinguished service to the United Nations and the people of Korea." In the center of the picture is John Muccio, U. S. Ambassador to Korea, who was presented the medal of merit by the President. (AP Wirephoto via Radio from Honolulu).

Truman Is Ready Report

By ERNEST B. VACCARO
HONOLULU, Oct. 16.—(AP)—President Truman was flying back to the mainland today to report on his meeting with General MacArthur on Wake Island while world capitals still puzzled over the significance of that Pacific rendezvous.

The President's plane "Independence" left Hickam Field, Honolulu, for San Francisco at 6:28 a. m. (10:28 a. m., CST), and the "Dew" carrying his top advisers, departed five minutes later. The flight to San Francisco requires nine hours.

Talk Due Tuesday
Aides said the President is devoting extraordinary time and care to the major foreign policy address he will make in San Francisco at 8:30 p. m. Tuesday (10:30 p. m., CST).

While he will preface his talk with a reference to his conference with General MacArthur on the barren Far Pacific island as a move to help the Far East find peace, there has been no indication that the President will elaborate greatly on the Wake Island statement.

The statement, signed by the President and initialed by the United Nations supreme commander, followed their less than three hours talk.

Actually, the most important phase of it was the hour Truman and General MacArthur spent alone in the living room of a quarters hut before they went into conference with military and diplomatic advisers.

No Hint on Decisions
The statement gave no hint of any far reaching new decisions such as many had speculated might grow out of the spectacular 14,000 mile round trip flight.

In fact, one top White House policy adviser said Truman primarily "wanted to talk to General MacArthur face to face" about Far East problems and added: "After all, he had never seen the General and thought he should."

7 Violent Deaths
By The Associated Press
Violent deaths in at least seven persons in Texas during the week end. Three persons died of gunshot wounds and four in traffic accidents. Surprisingly, not a fatal traffic accident occurred in Dallas, jammed with the greatest crowd in its history because of a doubleheader football game. For one reason, the traffic jam was so great that automobiles moved at a snail's pace in many sections.

Florida Hoists Storm Warnings
MIAMI, Oct. 16.—(AP)—South Florida was alerted and Cuba and the Bahamas warned against a hurricane containing winds up to 125 miles an hour today.

The hurricane is centered in the Caribbean Sea 140 miles southwest of Camaguey, Cuba, and 480 miles almost due south of Miami.

Northeast storm warnings are flying from Palm Beach to Key West. Small craft warnings are on display from Palm Beach to Charleston, S. C.

Gale force winds swept Miami all day Sunday but died down temporarily today.

Grady Norton, chief storm forecaster in the Miami Bureau, warned that the winds would intensify, and ordered storm flags continued on display.

Tyler Grocer Is Supporting Chest
Wood Brookshire, of Tyler, who is constructing a new grocery store building on West Second avenue, has sent in a \$100 check toward the Corsicana Community Chest campaign to W. E. McKinney, it was announced Monday morning.

This firm will not be open for business for some time since much of the building remains to be finished.

Workers in the campaign are resuming their canvassing Monday. Receipts reported Saturday totaled \$713.

Touchy Rehabilitation Program Due After End Of Korea War In Few Weeks
By RUSSELL BRINES
TOKYO, Oct. 16.—(AP)—Military circles here speculate generally that the Korean war will be over in a matter of weeks.

They expect that major fighting will end after United Nations forces drive into the North Korean Communist capital of Pyongyang. Spearheads were within 40 miles of that city today.

Lengthy Cleanup Seen
A slow and perhaps lengthy cleanup campaign to eliminate household fragments of the North Korean Red army probably will continue after the close of the main military operation.

Tokyo circles have been optimistic as to a quick end of the fighting since the Sept. 15 landing at Inchon pulled apart the Communist capital of Pyongyang. Spearheads were within 40 miles of that city today.

Allied Spearheads Race For North Korean Capital

U. S. High Court Refuses Review In Tidelands Case

WASHINGTON, Oct. 16.—(AP)—The supreme court today refused to reconsider its recent decisions that the federal government has paramount rights to rich oil lands under marginal seas along the Texas and Louisiana coasts.

Two Orders Issued.
The high court issued two brief orders to turning down petitions from the two states for reconsideration.

Justices Jackson and Clark took no part in consideration of the cases.

The marginal sea areas—often called tidelands—have been leased in part by Texas and Louisiana to private oil-extracting companies.

The high court's decisions were announced last June 5. In 1947 the tribunal had ruled that the federal government had supreme rights to oil-rich tidelands.

Objections Overruled.
In asking for reconsideration of the decision as to Texas, Price Daniel, attorney general of that state, said federal officials had shown no interest in the submerged lands until Texas and the oil companies developed them into highly valuable property.

Daniel further insisted the high court had been "unfair" to Texas. He said the court gave the state proper opportunity to present evidence as to "true ownership."

Solivar E. Kemp, Jr., attorney general of Louisiana, in a similar petition, said the decision against his state was:

"Erroneous, unconscionable, illogical, unenforceable, violative of the U. S. constitution and violative of the property rights of the states which are secured by treaty."

Although declining to reconsider the decisions, the supreme court took no action today on requests from the justice department that Texas and Louisiana be required to give an accounting of money they have received for oil taken from the lands.

Defeated Reds Out In Rebuilding Plans

By TOM OCHILTREE
LAKE SUCCESS, Oct. 16.—(AP)—The economic and social council overwhelmingly voted down today a Russian demand that defeated North Korean Communists be given an equal voice with South Korea in the drafting of a United Nations relief and rehabilitation program for the war-torn country.

The council approved an Australian proposal for establishment of a joint fact-finding body to study the scope of the problem.

Size of the relief task is not known. UN delegations have tentatively estimated that between \$70,000,000 and \$80,000,000 would be needed for relief in the first year while the over-all relief and rehabilitation figure might reach \$250,000,000.

Russian proposal was defeated by a vote of three in favor (Russia, Poland and Czechoslovakia), 14 against and one abstention (India). It had been opposed immediately in the council's discussion by the United States, Britain, Australia, Denmark and Nationalist China.

The vote for establishing the fact-finding body, which constituted a part of a larger Australian proposal, was 15 in favor, none against and Russia, Poland and Czechoslovakia abstaining.

Simultaneously the general assembly's political committee began a technical debate on specific points of an American-backed seven-nation plan to combat aggression.

Soviet Russia Asks Red Cross To Outlaw Bombs

By CARTER L. DAVIDSON
MONTE CARLO, Oct. 16.—(AP)—Soviet Russia asked the international Red Cross today to promote the outlawing of atomic bombs.

U. S. Controversy Asked
Delegates from Red Cross societies of 57 nations agreed to discuss the resolution later this week.

The Russian delegation submitted another draft resolution asking the Red Cross to "severely condemn x x x the cruel barbarous bombardment of civilian populations by American aviation in Korea."

This resolution asks the United States government "to put an end to air and other bombardment of these towns and villages and Pacific populations in Korea and to prohibit them for the future."

Delegates from six more nations are expected this afternoon, having run into travel delays.

Basil O'Connor, former law partner of the late President Franklin D. Roosevelt and chairman of the Red Cross board of governors, in a brief opening speech urged the delegates to believe "in the probability of permanent peace for the entire world."

"We must know that mere lust for power begets only the abuse of power," he added. "We must know that permanent peace can come only through understanding between all creeds and all men."

RED REMNANTS ARE REPORTED MELTING FAST

Speculation Grows On Knockout Blow As MacArthur Back

TOKYO, Oct. 16.—(AP)—Two Allied spearheads smashed today toward the flatland approaches of Pyongyang in an armored race for the Red Korean capital.

The last major battle of the war may be close at hand. There was a growing belief in Tokyo military circles that the war would end in a few weeks. But a long mopping-up period may follow.

Racing for the capital were the U. S. First Cavalry division, the first into Manila in World War II—and the South Korean First division.

The Americans battled through stubborn resistance Monday in a 16-mile thrust into Suwhung, 42 air miles and 60 highway miles southeast of Pyongyang. On a parallel secondary road 20 miles north of Suwhung, the South Koreans, paced by American tanks, reached Suwhung, 40 air miles southeast of the Communist capital.

Both forces were thrusting through North Korea's mountain backbone which shields Pyongyang on the east and east. But it was the torn and dented Suwhung reports indicated the Red remnants were crumbling rapidly. Resistance was fierce in spots, but sporadic.

AP Correspondent Jack McBeth, with the South Koreans, said they "broke into a run" for Pyongyang after charging into Suwan.

The U. S. Cavalry troopers ran into their toughest fight two miles north of Namcham, about 10 miles southeast of Suwhung and 12 miles north of captured Kumchong. Although the South Korean column was closest to Pyongyang, it was fighting along a winding mountain road. The First Cavalry was banging up the longer main rail and highway route. Its next major objective is Sariwon, 27 road miles west of Suwhung and 35 miles south of Pyongyang.

Two other columns were driving toward Pyongyang from more distant points. The U. S. 24th division.

Candy Salesman Held For Attack In Detroit Area

DETROIT, Oct. 16.—(AP)—Young Ennis Gillum may face a murder charge as the aftermath of his "crazy drunk" spree of slugging and assault.

Stricken with remorse, the 26-year-old tobacco salesman admitted five attacks Sunday, police said. He muttered tearfully: "There's no people are all right. It's done—but I am sorry."

Just a few hours later, Mrs. Dorothy Julian, 41, one of the five women and children slugged in the city's northwest section, Friday night, died in a hospital.

Police did not tell Gillum about her death immediately. But officers planned to seek a murder warrant. The other four victims are recovering.

All Gillum could say was that he went berserk after heavy drinking at a convention of the Michigan Tobacco and Candy Distributors.

David Ben-Gurion Trying To Form Israeli Cabinet

JERUSALEM, Oct. 16.—(AP)—Prime Minister David Ben-Gurion today to form a new government to try in the hope of solving Israel's first cabinet crisis since the birth of the state in May 1948.

Ben-Gurion resigned Sunday night after three religious bloc members in his outgoing cabinet told him they were withdrawing from his government because they did not like a recent cabinet change proposed in the face of Israel's financial plight.

Later President Chaim Weizmann—after consulting all party leaders—asked Ben-Gurion to form a new cabinet for presentation to the Knesset, Israel's parliament. The Knesset reconvenes here today after a two-month recess.

If the Knesset refuses to accept a new government under Ben-Gurion new elections may be called. The present cabinet continues on a caretaker basis.

The task facing the premier is not an easy one. His Mapai party controls only one-third of the votes in parliament and he needs the support of other groups to retain power.

Robert Whitener Dies In Hospital Of Wreck Injuries

Robert Whitener, 33, died in the hospital today after an early hour Monday morning.

Whitener had suffered brain injuries Friday night in a head-on collision a half mile east of the Hill-Navarro county line on Highway 31 between Lawson and Hubbard. Three other Corsicans were injured.

Sixth 1950 Death.
This is the sixth highway fatality in Navarro county during 1950. Funeral services will be held from the Corley Funeral Chapel Wednesday at 2 p. m. Burial will be in the Hamilton cemetery. The rites will be conducted by Dr. Chet C. Henson, pastor of the First Methodist church.

He was a veteran of World War I.

Surviving are his wife, a son, Bobby N., parents, Mr. and Mrs. E. N. Whitener, all of Corsicana, and Lunel Whitener, Galveston; five sisters, Mrs. Doris Mahoney, Corsicana; Mrs. Matt Crocker, Bazette; Mrs. Linnie Beard, Dallas; Mrs. Dorothy Hall, Warba, Minn.; and Mrs. Winnie Lee Shumate, Malakoff, and other relatives.

Some Prices Cut, Others Increased

By The Associated Press.
Price cuts for bag-packed coffee, airplane parts and asphalt tile today were offset by increases for pharmacists, optometrists, osteopaths, X-ray technicians and other medical specialists.

Men called up in the doctor's draft will serve no more than 21 months under present regulations. Medical men whom their draft boards find acceptable for military service will be placed in Class 1-A immediately.

Deferred from service in World War II to obtain medical, dental or veterinary degrees.

Estimates of the number involved range from 5,000 to 10,000.

Other medical men under 51 will register at later dates until Jan. 16, when the registration task is to be completed. No provision has yet been made for the registration of pharmacists, optometrists, osteopaths, X-ray technicians and other medical specialists.

Stassen, Dewey Back Eisenhower For Presidency

PHILADELPHIA, Oct. 16.—(AP)—Harold E. Stassen, twice an unsuccessful aspirant for the Republican presidential nomination, today hailed Gov. Thomas E. Dewey's support of Gen. Dwight D. Eisenhower, in 1952 as "real statesmanship."

Stassen now is president of the University of Pennsylvania.

Aid Is Offered.
Dewey, twice elected governor of New York and now seeking his third term, said Sunday he would use his "influence" to get Eisenhower nominated as the GOP candidate in 1952.

Dewey was the Republican nominee in 1944 and 1948, beating out Stassen both times.

Stassen, former governor of Minnesota, said in a statement: "Governor Dewey showed real statesmanship in his forthright declaration this step. I've wired him my commendation. I have long ago expressed and continue to have a very high regard for General Eisenhower."

Further Comment.
Stassen declined further comment. He parried a question about whether he would seek the nomination himself on 1952 by saying: "My statement is my only comment."

He also refused to say whether he, like Dewey, would work for Eisenhower's nomination. Dewey said flatly he would support Eisenhower.

CIO And 'Big Steel' Start Wage Talks Which May Affect Economy Of Nation

PITTSBURGH, Oct. 16.—(AP)—Industry leader United States Steel Corp. and the CIO today began steelworkers opened negotiations today on the union's demand for a wage increase.

Neither side commented as sessions got under way.

37-Man Teams.
President Philip Murray of both the CIO and the USW headed the union's 37-man bargaining team. Vice President John A. Stephens led about the same number of representatives of "big steel's" six steel-producing subsidiaries.

They are American Steel and Wire Company, Carnegie-Illinois Steel Corporation, Columbia Steel Company, Geneva Steel Company, National Tube Company and Tennessee Coal, Iron and Railroad Company.

Murray and Stephens shook hands and chatted pleasantly for a few minutes before the bargaining session started in a downtown hotel conference room.

U. S. Steel is the traditional bête noir of the industry in wage talks. It grants a pay raise to other steel firms—both basic producers and the firms that turn the steel into finished products—probably will follow suit.

The big question posed by the conference apparently was: How big a wage boost will U. S. Steel offer?

The answer will affect the nation's steel industry. If U. S. Steel grants a wage boost, other steel firms—both basic producers and the firms that turn the steel into finished products—probably will follow suit.

The amount of any U. S. Steel wage hikes would be reflected in the prices of automobiles, refrigerators, hairpins and everything else made of steel.

Little doubt has been expressed that U. S. Steel will make some form of wage increase offer. The amount of that expected offer remains to be answered.

France Expected To Get Big Sum For Rearmament

WASHINGTON, Oct. 16.—(AP)—The United States was reported today to promise substantial financial help to France today so that nation can start immediately on a giant rearmament program.

Informed officials said Secretary of State Acheson will pledge aid amounting to \$3,750,000,000 in American dollars and arms during 1951.

Top U. S. officials predicted over the weekend that a quick increase in American aid to Indochina can be expected to drive to meet the threat of a major drive which the Communists might make there to offset the Red setback in Korea.

Following the conference with Acheson, Moch planned to leave for New York immediately. He is returning at once to Paris to complete preparation of the French military budget for presentation to parliament, which convenes Tuesday.

Del Curto Cases Dropped By Court

AUSTIN, Oct. 16.—(AP)—Lack of evidence has brought dismissal of 15 indictments, four charging forgery and 11 theft, against former State Department of Agriculture Employee J. Del Curto.

Judge J. Harris Gardner dismissed the counts in 128th district court on motion of District Attorney Bob Long.

The September 1946, Travis county grand jury returned the indictments following allegations of payroll manipulations and irregularities in 1943 and 1944 in the State Department of Agriculture.

Del Curto, attorney for Del Curto, contended the irregularities were state authorized and common department practices. He said many of the employees whose names appeared on the payroll had never later signed affidavits clearing the defendant of criminal liability.

The indictments dismissed involved sums ranging from \$49 to \$140.80.

Unprecedented, Complex Situations Involved In Making Korea 'Secure'

By ELTON C. FAY
WASHINGTON, Oct. 16.—(AP)—Some unprecedented and complex situations are involved in the steps necessary to bring peace and security to Korea, which President Truman said he and Gen. Douglas MacArthur discussed at their Wake Island meeting.

For the first time, a segment of the Communist Del Curto is being removed from the Soviet grasp. The procedure followed in North Korea may become a pattern should the fringes of the Russian empire start crumbling elsewhere.

No Available Precedent.
MacArthur is going to have some problems he hasn't faced before. He can't use his experience in ending World War II as a guide for his steps in Korea.

When victory came in the Pacific, there was an organized Japanese government to sign the surrender and continue on with internal, domestic administration. In the closing days of the war, the Allies encouraged the Japanese to retain the government of Emperor Hirohito. This facilitated the surrender and the eventual reconstitution of the Japanese government.

But the aggressive and ruthless policies of Communism make it impossible to use such machinery in North Korea.

Military Addressed.
MacArthur is well aware of that. It is to be noted that when he issued his first radio address, Oct. 1, it was addressed to the military commander of the North Korean military forces, Marshal Choe Yung-Kun, and not to the government. Premier Kim Il Sur.

In this, MacArthur appeared to be following to some extent the precedent set in the world War II collapse of Germany. There it was the Nazi generals and admirals who signed the capitulation documents. Hitler's government had disintegrated with the reported suicide of the leader.

CORSICANA, TEX., OCT. 17, 1950

THE REDS AND KNOWLEDGE

Can the course of world events be altered by such appeals to Russian reason as Harold E. Stassen has sent to Stalin? Stassen's effort is bound to be discounted by many Americans because of the fact that he is a man who has been and is making noises like a presidential candidate. On the other hand their weight is likely to be overestimated in Moscow. Russians can hardly be expected to believe that an eminent citizen would really send a communication of any significance to a foreign ruler without the full concurrence of his government. The reception of the Stassen letter in Moscow will probably be little different from that for a statement in the same vein from an official source.

It is a good purpose to try to get truth and reason before the men of the Kremlin, but it is most difficult of achievement. A report from Yangyang, first North Korea city occupied by the South Koreans, tells of the thorough measures taken by the Communist rulers over the past five years to control the information and speech of the people, to stifle all opposition and disagreement. Communists become pre-occupied with this task wherever they have power, and with spreading their propaganda everywhere else. It has often been observed that Communist agents and underlings become so immersed in their own lies that they are unable to distinguish them from obvious facts supported by clear evidence. Is this so also of the topmost leaders?

Now may be the time, however, to crack their shell of illusion. The events of this summer have shaken the Communist world as well as the non-Communist. Stalin himself, like other ambitious dictators before him, may have carried himself forever beyond the realization of facts. But there may be other ears of importance in Moscow and the satellite capitals which have detected discordant notes in the Soviet tune, and which may be ready to listen to other sounds.

THIRD TERM HURDLE

The word in Ohio is that Sen. Robert A. Taft, running for his third term, is being pressed by his vote-getting opponent, State Auditor Joseph T. Ferguson. If Taft takes stock in precedents, he has grounds for worry.

Oddly enough, in the past ninety years only one Ohioan has won more than two senatorial terms. The exception was John Sherman, brother of the general, author of the Sherman Anti-Trust Law, a gifted financier and a shrewd politician who kept both ears to the ground. By never outstripping popular sentiment he managed to keep his seat for 32 years, besides serving six in the House of Representatives, four as secretary of the Treasury, and one as secretary of state. This 43 consecutive years of tenure in high office is close to an American record.

Sherman's colleagues kept changing, most serving only one term and only Allen G. Thurman serving two. After Sherman's retirement such figures as Mark Hanna, Joseph B. Foraker, Atlee Pomerene, Simon D. Fess and Harold H. Burton, to name only a few, were all limited to a twelve year tenure at most, usually less. Death, withdrawal and defeat acted as the limiting factors.

If Taft gets a third term he will do what none of these masterly politicians was able to accomplish.

MY COUNTRY.
What can be offered by our foes
Excelling all that we possess?
Where and the world are fewer
Woes
And more of unchecked
happiness?

What Godless country can
display
So many homes and temples
fair?
How could a man our land betray
Who once had breathed its
wholesome air?

What is there under tyrant might
That men can think of, hear of,
see,
That can surpass the precious
right
Of life as a people free?

Some thinking strange I
understand
And can be patient with, but
those
Who would destroy our glorious
land
Are foes of God and freedom's
foes.

What is there under tyrant might
That men can think of, hear of,
see,
That can surpass the precious
right
Of life as a people free?

Some thinking strange I
understand
And can be patient with, but
those
Who would destroy our glorious
land
Are foes of God and freedom's
foes.

Gay Parrish Leads Bulldogs Attack Friday Evening

By PAUL MOORE
Sun Sports Editor

Navarro Junior College Bulldogs made and received the breaks Friday evening at Tiger Field to defeat the Arlington State College eleven, 22-14. A complete reversal of form was shown after the visitors had counted their 14 points and appeared on the road to a complete rout of the Bulldog cohort.

This was the first win of the season for the local collegians. During the early portion of the tilt, the Arlington line ripped and stopped the Bulldogs forwards, bottling up the advance while the offense of the Bulldogs was held to two touchdowns for the visitors.

Gay Parrish, Bulldog back, sparked the Bulldogs after they figured out the offense of the visitors and he was the most consistent ground-gaining of the evening.

During the intermission, the Bulldog band and the Senoritas, presented a fine exhibition while the Navarro coaches were getting their charges in the right frame of mind for their second game.

The center of the Bulldog line, led by Don Granger, Bradley and Woodman, solved the man under T formations and one of them frantically ran the ball after it was snapped.

There were frequent fumbles, pass interceptions, penalties, sensational blocking, running, etc. Coaches Ken Clark and Guye Akridge had a defense for the visitors after the first half.

Arlington State presented a larger team, with speed to burn and flashed several runners, led by the brilliant weight who can run with the ball better than the average back.

Arlington struck early in the game after recovering a fumble on the 10 yard line and then crashed over for a touchdown with Jack Stamps converting to give the visitors a 7-0 lead.

Gaines returned the kickoff to the 13 yard line, the defense stiffened and the ball went over on the 28.

Ted Darland did a swell job of punting and he kicked 42 on the first occasion with a right return to his 33. A pass to Alfred Selman, end, netted 28 yards, but a fumble recovered by Navarro stopped the threat.

Derald Hines uncorked a 27-yard break and ran to get to the Navarro 32 and Wright drove to the 18. Elbert Berry, former Corsicana Tiger star, dropped Wright for an 8-yard loss and it was fourth down and 13 to go when the quarter ended with Arlington leading, 7-0.

Wright Scores Again
Wright took a screen pass with four yards to run interference on the Navarro defense. Neither the Navarro nor the Bulldogs were able to make a play with Jack Stamps converting to give the visitors a 14-0 lead.

Navarro opened with aerials and Orville Langston, former Tiger back, caught one of nine and then 24 yards to put the ball on the Arlington 24.

The drive bogged down on the 22 and Wright ran 17 to get out of the dangerous position. Neither club seriously threatened to score for several minutes, although a 15-yard penalty put the Arlington crew deep in the Navarro territory where the Bulldogs took over on the 33.

Hines recovered a punt blocked by a flock of Bulldogs on the Arlington 33.

Parrish broke through the line between right guard and tackle and went all the way for a touchdown, but Gene Sorrels, Dallas performer, missed the conversion to make the score 14-4.

Lucky Hines recovered another fumble early in the third quarter and Parrish added 12 yards to the Arlington 44. The visitors defense stiffened, and the educated toe of Ted Darland sent the piskin to rest on the Arlington one-yard line.

Wright for a safety behind his own goal after he had momentarily fumbled the pass, making the score 14-8 in favor of the visitors.

The Bulldogs were fighting hard and the terrific punishment began telling on the cadets. Berry returned a punt to the Arlington 37 but the threat was nullified after a 15-yard illegal use of hands penalty was assessed Navarro, ending the drive with a third fumble and later Guthrie intercepted a pass.

Stone, end, recovered a bad pass from center on the Arlington 24 and ran 17 to get to the 41 yard line. Darland rammed a yard and then Parrish knifed over. Sorrels converted from placement with Jerry Caton holding to give Navarro a 15-14 lead.

Coach J. G. Holmes of Arlington sent in his passing club in an effort to again regain the lead, but the Bulldogs, sensing their first win in the season, grimly met the challenge with defense and a slashing offense, carrying the fight to the visitors.

Granger recovered a fourth fumble on the Arlington 44 and Navarro had possession of the ball on the Arlington 27 as the third period ended.

Navarro drove to the 9 yard line where the cadets stopped the drive. Selman intercepted the pass on the 20 and Navarro fumbled. Arlington gained the ball on the 28. Another pass interception and fumble was recorded in the next series of downs and the ball went over to Arlington on her 14-yard line.

Morris ran 29 yards on a screen pass that was a sensational play for Arlington, but the ball was called back and penalty of 15 yards placed the cadets on their own goal line.

After one running play, the Arlington crew gambled with a pass and Granger, the defensive star of the game, intercepted the pass for a touchdown with Sorrels converting from placement.

Arlington fought back and had possession of the ball on the Navarro 15 shortly before the game ended.

Starting Lineups
Navarro—Richard Gaines and Orville Langston, ends; Don Granger and Campbell Woodman, tackles; Don Lambert and Jim Bradley, guards; Rufus Nutt, center; Ted Darland, quarterback; Jerry Caton and Richard Guthrie, halfbacks; Red Earl, fullback.

Arlington—Caton, Alfred Selman and Don Lakay, ends; Sterling Hill and Billy Joe Pratt, tackles; Herbert Dokey and Malcolm Wallace, guards; Donald Smith, center; Joe Simpson, quarterback; Derald Kalklett and Albert Byrnes, halfbacks;

Waco Wins One, Temple Tramples Bryan In Top 13AA Games Friday

While the Corsicana Tigers were idle Friday, Waco and Temple were making the news in District 13-AA football circles with victories over their respective opponents.

Waco made the biggest splash with its first win of the year, a 19-14 victory over the Sherman Bears. The Jackets tallied 26 points during the game, but Temple's defense was totally ineffective.

Coach Boyd Payne took the Corsicana Tigers, only undefeated team in the district, to Waco last night to watch Waco take the win from Sherman.

While the Corsicana Tigers were idle Friday, Waco and Temple were making the news in District 13-AA football circles with victories over their respective opponents.

Waco made the biggest splash with its first win of the year, a 19-14 victory over the Sherman Bears. The Jackets tallied 26 points during the game, but Temple's defense was totally ineffective.

Coach Boyd Payne took the Corsicana Tigers, only undefeated team in the district, to Waco last night to watch Waco take the win from Sherman.

Corsicana goes back into action next week with a game against Grand Prairie.

Temple again failed to score in the first quarter, then leaned heavily on the arm of Doyle Traylor to run up a lopsided score against Bryan in the last three periods.

Early Black shone on the ground for the high-scoring Wildcats.

Jim Rosser and Sammy Carney starred for Cleburne as they buried Hillsboro. The Jackets tallied 26 points during the first half, and then Hillsboro made a pretty good ball game of it during the last period.

Waxahachie, with its weakest team in years, had no chance with Weatherford. An attack of mumps early this week weakened the Indians still more, and Logan Stollenwerk's crew was totally ineffective.

Is It Really Heart Trouble?

By W. P. BROWN
Of Johnson's Pharmacy

How often are persons who suffer from shortness of breath or palpitation misled into believing they have heart trouble! And then because they are afraid their fears will be confirmed they neglect seeing a doctor.

These symptoms may be caused by other, less serious disorders. Whatever the cause only proper diagnosis and medical treatment can bring relief. Fears about heart trouble are often uncalled for. Needless worry can undermine your general health.

You won't have cause for worry when you entrust your health problems to a doctor and a conscientious pharmacist.

VISITOR FROM HOME—Pecos County, Texas, draftees received a visit from this 1200 pounder who was on his way to the American Royal Livestock Show in Kansas City, Mo. "Jug", the 17-month-old Hereford bull, waddled out of his 35-foot trailer to see the seven Pecos County 4-H club members inducted into the army at Fort Sill, Oklahoma. Left to right in front row: G. H. Rainwater; Slim Reeves, Jr., (owner of Jug); Jug; and Miss Ella Valdez, an employee of Fort Sill. In the back row are Neil Patterson, Frank Morales, Jr., W. T. Pooley, Pecos county agent; Alvin Counts; Elbert Archer; Albert McAdams and Warden Mayes. All of the men are from the Fort Stockton, Texas, area. (AP Photo from S. Army).

Corporation Court

Corsicana police were busy during the week-end with a number of minor auto accidents, disturbances, and the customary week-end work.

Officer Kelly investigated a week Saturday involving automobiles operated by Mrs. E. Derman, 1060 South Seventeenth street, and Mrs. A. Benton, Chatfield. The accident occurred in the 300 block of North Main street.

Officer Kelly arrested a motorist for operating a car with a defective muffler and no operator's license.

Officer Chapman arrested a negro on an intoxication charge.

Ten motorists paid fines for overtime parking at meters. A total of 28 were cited by Officers Massey and Tanner during the week-end.

Officer Kelly investigated a wreck on North Beaton street between cars driven by W. R. Kelly, 1011 North Beaton and Mrs. Deola Lowe, 2121 West Thirteenth avenue. The damages were settled between the motorists. No one was injured.

Another Saturday wreck was investigated by Officers Wiswell and Steele in the 700 block of East Seventh avenue. Cars driven by Roy Harrison, 1609 West Seventh avenue and David Walker, Route 1, Streetman, were involved.

Two motorists were arrested by Officer Kelly for left turns at Fifth avenue and Beaton street. Both drew \$5 assessments from Clay Nash, corporation recorder.

One was arrested by Officer Kelly for running a red light and driving without an operator's license.

A crap game on East Seventh avenue was raided with 10 arrests and fines recorded.

Two charged with drunkenness by Officers Wiswell and Steele were fined. One was arrested by Officers Kelly and Chapman for reckless driving.

Willie D. Smith, negro, reported his bicycle stolen from the Ideal Theatre Saturday while he attended the show.

A negro was arrested for running a stop sign and driving without an operator's license by Officer Kelly.

State Liquor Board Inspector Bailey and Sgt. Theford raided a place on East Seventh and seized 23 bottles of iced beer. One arrest was made.

Officer Patterson found the City Book store unlocked.

Four men were arrested and two women were cited to corporation court Sunday night following a disturbance and difficulty at the city lake. Officers Kelly, Higginbotham and A. E. Chapman answered the call. Four fines for affray and disturbing the peace were assessed Monday by Corporation Recorder Nash.

A negro was arrested on a speeding charge by Officer Kelly and one was nabbed by Officers Onstott and Steele for driving without an operator's license.

Community Center Opening At Angus

The formal opening for the Angus Community Center will be held Thursday from 7:30 to 11 p. m. according to an announcement Monday.

The brick school building has been re-decorated and the Angus residents are proud of their community center. The building became available for this purpose after the Angus schools consolidated with the Corsicana Independent School District.

A program will be presented and refreshments will be served.

All interested persons are invited to attend.

Bengals Oppose Grand Prairie Friday Evening

With Corsicana and Ennis idle in 13-AA football play last week, Waco and Temple made the news with victories over non-conference opponents Friday.

Waco won its first game of the season, a 19-14 triumph over strong Sherman, and Temple showed more strength in taking Bryan by a 31-6 count. Waxahachie and Hillsboro, lost to Weatherford and Cleburne, respectively.

Corsicana, leading the conference in scoring, returns to action this Friday in meeting Grand Prairie's Gophers. Ennis likewise returns with a meeting with Bonham. Temple gets a tough test with Austin, and Waco, Waxahachie and Hillsboro all have open dates.

The Tigers' game with Grand Prairie is not due to be a stiff test for the Corsicans, but the Gophers could surprise and make a real good in-scrammage last week, and went to Waco Friday night to watch Carl Price's Tigers battle Sherman. No doubt Waco will return the visit Friday night here.

Waxahachie is the only 13-AA team that is winless thus far this season. Ennis is resting in third place, and sports a stronger team than usual, apparently. Waco is

improving slowly, and is developing into a formidable crew. Temple has shown high-scoring ability against respectable opponents.

Standings	W	L	T	Pts	Op
Corsicana	4	0	0	158	0
Temple	3	1	0	108	33
Ennis	2	2	0	85	90
Waco	2	2	1	26	67
Hillsboro	1	4	0	26	69
Waxahachie	0	5	0	19	181
Totals	11	14	1	402	440

Funeral Services For W. C. Plyler Held On Friday

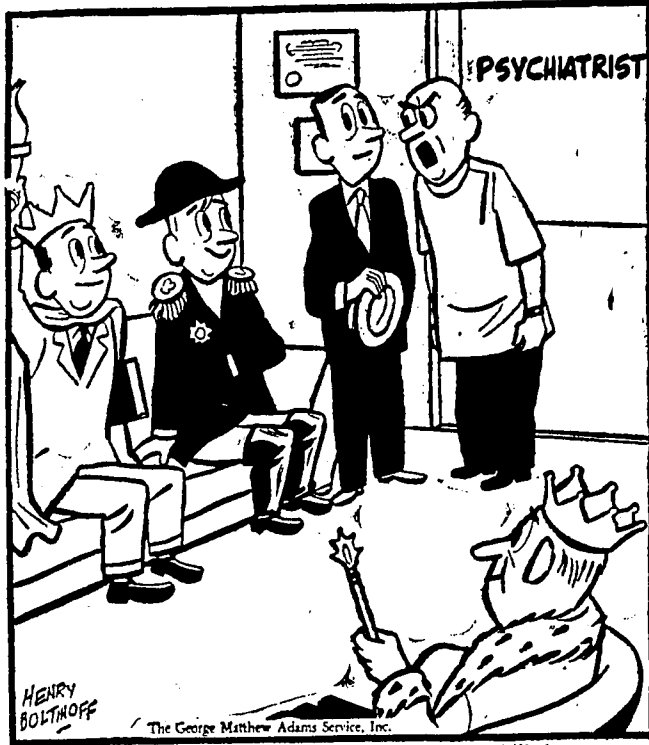

Funeral services for W. C. Plyler, 51, who died at the family home, 1220 West Second avenue, Wednesday night with a heart attack, were held Friday at 9 a. m. from the Griffin Funeral chapel.

The rites were conducted by Rev. Herbert G. Dudley, minister of the First Christian church. Burial was in Oakwood cemetery.

Plyler was a native Texan and had operated a radio service concern here for many years.

Surviving are his wife of Corsicana, a son, Jimmy Plyler, Lufkin High coach; a daughter, Miss Norma Plyler, University of Texas student; mother, Mrs. Beulah Murdock, Sherman; a brother, Arnold Murdock, Fort Worth, and other relatives.

Palbearers were Ed Aston, Mose Blumrosen, Frank Garner, Doc Sheets, Henry Levy, Albert Fullerton and Rufus Nutt.

HERE is a pleasant little game that will give you a message every day. It is a numerical puzzle designed to spell out your fortune. Count the letters in your first name. If the number of letters is 6 or more, subtract 4. If the number is less than 6, add 3. The result is your key number. Start at the upper left-hand corner of the rectangle and check every one of your key numbers, left to right. Then read the message the letters under the checked figures give you.

Circus To Play Two Day Stand

The Barker Brothers circus will play a two-day stand in Corsicana on Wednesday and Thursday of this week under the sponsorship of the Corsicana Junior Chamber of Commerce.

With a vanguard of five trained elephants, the circus will play a full two-hour show at the rodeo arena here, which will include wild animals, trained horses and dogs, thrilling aerial acts and high wire performances, many clowns and other attractions traditionally a part of the circus.

Tickets are now on sale at the following locations: Burney's Food Store, Chamber of Commerce, Laird Drugs, Mc-

Adams Drug Store, P. and S. Pharmacy, Skateland, Tom Thumb Super Market and Western Auto Associate Store.

Tickets are priced at \$1.20 for adults and 60 cents for children. Many children will be guests of local businessmen, the Jaycees have announced.

Infant Services Slated Tuesday

David Michael Jones, one-day-old son of Mr. and Mrs. David Jones of Corsicana, died at the P. and S. Hospital early Monday.

Funeral services are planned sometime Tuesday. Surviving are the parents and grandparents, Mrs. Nellie Lacey, all of Corsicana, and Mrs. Leola Jones, Midland. Corley Funeral Home will direct.

This Is National Oil Progress Week

CORSICANA HAS CONTRIBUTED MUCH TO THE PETROLEUM INDUSTRY!

From the discovery of the first oil well in Navarro County by Mr. Johnston, Mr. Aiken, and Mr. Rittersbacher in 1895, to the present time the progress of our community and that of the Oil Industry has gone hand in hand.

The Corsicana Oil and Refining Co. was founded in 1898 and they built the first Refinery west of the Mississippi River.

In 1898 they shipped the first carload of oil out of Corsicana.

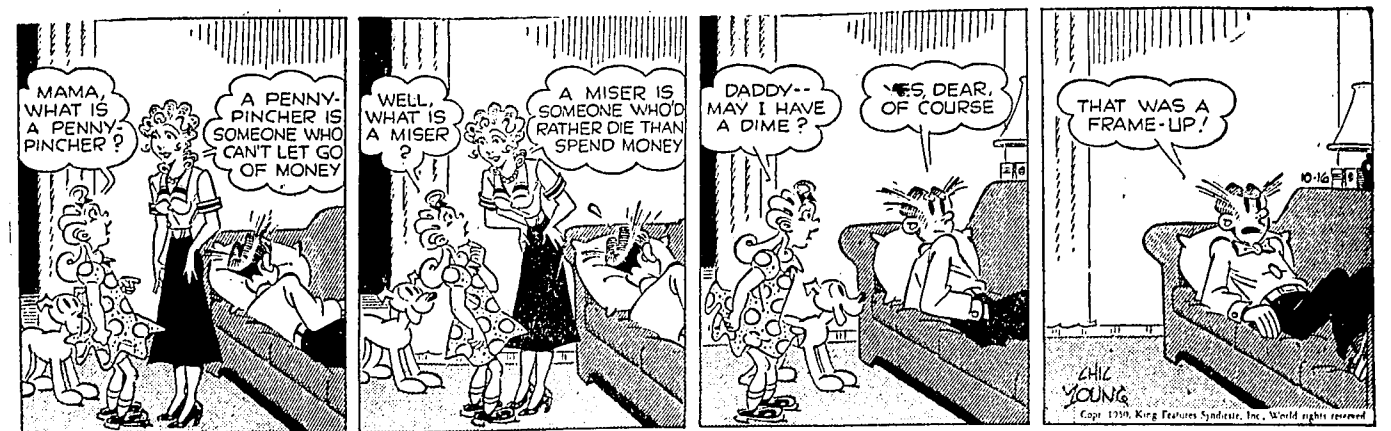

The men that founded the Corsicana Oil & Refining Co. split into two groups and from these two groups the Magnolia Petroleum Co. and the Texas Co. were founded.

Corsicana and Navarro County have benefitted greatly from having the oil industry in our county. Oil, one of our greatest resources, carries a large share of the welfare of this state especially in the field of finance.

This week, Oil Progress Week, we pause to honor an industry that has done much to make our country strong and great.

White Sees No Socialism In Present Farm Program

By TALMADGE CANANT
Daily Sun Staff

John C. White, Texas' Democratic nominee for commissioner of agriculture, isn't worried about socialism in American agriculture. More than 100 agricultural workers left the Cactus Room of the Navarro Hotel Thursday night convinced of that point, after hearing the youthful "giant killer" who won the nomination from veteran J. E. McDonald recently.

"The only thing I view with alarm," White said, "is that we are 'viewing with alarm'." "Some say that now it looks like socialization is going to take over farming, but they don't know what they are talking about. Any agricultural program now being voted in by the farmer, and can be discontinued the same way."

"I am the son of a tenant farmer who was on relief for two years," White told Navarro County Agricultural Workers Association and visitors from five adjacent counties. "My father borrowed the money to buy a farm, but instead of it, and is a taxpayer now instead of a ward of the government."

"What is more democratic than opportunity?"

When did we have more opportunity than we have today?" White dwelt briefly on the point that a stable agriculture in the United States means a stable economy. He said the way to keep a stable economy is to keep the farmer on the farm and in business.

In answer to those who say that the farmer is getting the "best deal" now, White quoted figures to show that the average income of the average farmer in this country is still little over half that of the average income in this country. "Any dollars we invest in farming and farm people is returned to business in the form of the things the farmer buys," White asserted.

Liberal Education
"Credit for my being here in this room tonight is due a lot to many

of you here who made it possible and made it worth while for me," White said of his recent election. He referred to politics as "a field that will give you a liberal education in a short while."

"A lot of people have asked me, 'John, now that you're in office, what will be your policy with the state officials and federal officials?' My answer is: Whatever is best for the farmer, rancher and consumer."

White briefly reviewed for the audience the various functions of the Texas department of agriculture. His only suggestion came when he was discussing the marketing division of that department, and he expressed the idea that it should be expanded to include a marketing news service, particularly in regard to perishable products, in order to give daily price quotations.

White paid tribute to Navarro County agricultural organizations in the way they work together for the farmers' good. "Your 1948 farm income in this county was \$54,500,000, and your total farm valuation was \$27,000,000. That's not bankruptcy in my books."

Praises Schools
He also had praise for the Navarro County Vocational Agricultural Schools, saying that they have the reputation of being the best ones in the state.

W. H. Butler, president of the county Agricultural Workers Association, and conducted a roll call of visitors by counties. Freestone, Limestone, Hill, Kaufman and Ellis counties were represented at the assembly.

He introduced the officers of the group, and special visitors in John C. Calhoun, former chairman of the State Democratic Committee, State Senator George Noris, and Dean of Mexico and Howell Brister of Kerens.

Ralph Evans, director of the county vocational agriculture schools, introduced White.

SARA NED DELAFOSSE AND CHARLES WAYNE HUMPHREY WED IN CHURCH CEREMONY

Miss Sara Ned DeLaFosse, daughter of Mr. and Mrs. Felix DeLaFosse of 418 North Fourteenth street, became the bride of Charles Wayne Humphrey, son of Mr. and Mrs. C. W. Humphrey of Stamford, in a modern ceremony Saturday at 11 o'clock at Westminster Presbyterian church. Dr. Matthew H. Arnold officiated in the holy rite.

Vows were exchanged before an altar embowered with bronze chrysanthemums, greenery and ferns and tall ivory cathedral tapers.

Traditional Music
Proceeding the ceremony Mrs. Aline Trimble sang "I Love Thee" and "Through the Years" with Mrs. O. W. Holmes accompanying at the organ. Mrs. Holmes also played the traditional wedding marches. Pre-nuptial organ music included "Wedding Prelude," "Intermezzo" and "Love Song" by Nevin.

The bride, who entered with her father, wore a costume suit of brown wool trimmed in tangerine and with a jeweled button. This was ensembled with a brown velvet hat with bronze bead trim, other brown accessories and gold jewelry. Her chapel bouquet was centered with a sunset orchid encircled with yellow stephanotis and brown maline.

Bridal Attendants
Miss Gladys Vickers of Dallas, who was the bride's honor attendant, was dressed in a frock of beige lace over matching taffeta with brown velvet trim. Miss Ann Polk and Miss Sue Humphrey of Stamford, sisters of the bridegroom, were bridesmaids. Miss Polk chose a coffee-colored taffeta frock with brown velvet trim, while Miss Humphrey wore a tan velvet dress. The attendants carried French bouquets of bronze mums with moss green ribbon streamers.

James H. West of Albany served as best man. Billy Joe McKeever and Jack Arledge, both of

Stamford, were groomsmen. "Ush-

ers" were Paul Turner and Bill Turner, cousins of the bride.

Mrs. DeLaFosse, mother of the bride, was dressed in dark brown crepe with collar and cuffs beaded with ice blue and navy hat and were complementary, and purple asters formed her corsage. A corsage of fuchsia roses was worn by Mrs. Humphrey, who was attended in a navy suit, navy hat and her grey sash accessories.

Kinsloe Reception
The newlives were assisted by their mothers and bridal attendants in receiving at the Kinsloe house reception which followed the ceremony.

Calla lilies, carnations and chrysanthemums centered the bride's table, also graced by a couple of blue and white Miss Jane Seefeldt of Houston presided at the cake, and Miss Eleanor Thornell at the coffee service, and Jeanne Gross registered the guests.

After a wedding trip to San Antonio and Kerrville, Mr. and Mrs. Humphrey will be at home in Stamford.

The bride, a graduate of Corsicana High school, will receive her BA degree at Baylor University in the November. She was a member of the Peer Club there. Her husband, who was graduated from Stamford High school, also attended Baylor University.

Miss Wilma Greenlee, aunt of the bride, was hostess for the rehearsal dinner Friday evening at her home, 1141 West Collin street.

UN And US Flag Etiquette Given

Women from all sections of Navarro county attended the United Nations flag-making program at the Corsicana Senior High school building Saturday at 10 a. m.

Mrs. Gertrude Dryman, county home demonstration agent, whose organization sponsored the flag-making program, gives the following information relative to the displaying of the UN flags:

"How should the United Nations flag be displayed?—Etiquette prescribed by the United Nations for the use of the United Nations flag provides (1) that it should be flown or displayed in our country with the United States flag; (2) both the United Nations flag and the United States flag should be approximately equal in size. It has been customary when displaying both the United Nations and United States flags, to place the United States flag to the right—the right of a speaker on a rostrum, the right of marchers in a parade."

Nacogdoches Is Beaten By Bears

Jackson High School Bear football club defeated Nacogdoches, 12-7, at Bear Stadium here Thursday night in a hotly-contested battle. A large crowd witnessed the meet.

The Bears have won four straight games without a setback this season.

The visiting aggregation was undefeated prior to the meeting of the Bears here.

Corsicana "B" Eleven Wins Close Game With Mexia Thursday Night

Corsicana high school's "B" team edged Mexia's Kittens, 7-3, in a thrilling grid game on Tiger field here Thursday night.

Carl Sorsby scored the Tiger touchdown on a pass from Bruce Howard, and Howard converted the extra point to bring the Cubs victory. The score came early in the third quarter after a scoreless first half.

Mexia's crew, sparked by a razzle-dazzle T formation offense, scored a few minutes after Sorsby's spritzer. It came on a 90-yard run by Bruce Outlaw, but the visitors failed to convert the extra point, and that determined the ball game.

Board At Wichita To Call Married Men For Draft

WICHITA FALLS, Oct. 13.—(AP)—Married men without children are going to be classified I-A next week by the Wichita county draft board, Wade Starnes, draft board clerk, announced.

He said married men of the county, in the 19-26 age bracket, who have no children, will be reclassified from 3-A to I-A beginning Monday. He said that some of them will "very probably" be in the 114-man call to report for pre-induction physicals Oct. 27.

The action was necessary, he said, because the list of single men virtually is exhausted.

Navarro county's selective service board does not plan similar tactics in the immediate future, according to Draft Board Chairman R. R. Cooke.

He said at present we have a sufficient number of single men to meet our examination and induction calls. However, it's difficult to determine what steps will

be necessary after the first of the year.

"The local board has received instructions from the state office regarding the status of I-A men who get married after being classified I-A.

"The directive states that local boards need not reclassify such selectees and that they can be left in I-A classification.

"In other words, the state order does not make it mandatory for a draft board to reclassify I-A selectees who become married."

In the future, all registrants marrying after they receive their I-A classification will not have their files reopened.

Mexia Resident Injured Early Friday In Wreck

Alvis Moses Belden, 20, of Mexia, suffered serious injuries early Friday morning when his automobile figured in a collision on Highway 75 near Corsicana.

Belden sustained a broken left leg at the hip and a fractured jaw in addition to cuts and bruises. He was driving a 1937 Ford coupe in a northerly direction, highway patrol reported.

Jodie Felten Teague of Houston was the operator of the southbound Brown Express Co. trailer-truck involved. He escaped with only a bruise on the head and did not receive medical attention. The automobile was badly damaged and the trailer-truck overturned following the collision, officers said.

After treatment in the P. and S. Hospital, Belden was transferred to the Brown Clinic in Mexia in a Corley ambulance.

Corley's ambulance answered the call at the accident between the south city limits and the South Fifteenth street intersection with the highway.

MARRIED AT COURTHOUSE
Kenneth Loyd Johnson and Miss Nalline Crook, both of Kerens, were united in marriage Friday at the courthouse.

The ceremony was performed by Judge J. W. Sheppard.

FORMER TIGER—Kelly Burkhart, son of Mr. and Mrs. E. E. Burkhart of Corsicana, a junior, is the football captain of the Corsicana University Pirates football club at Georgetown. He is one of the leading ground-gainers of the Texas conference with 192 yards in four games and is the leading scorer with 24 points, three touchdowns and six extra points. He is vice president of the student organization and chairman of the honor council, student government.

Courthouse News

J. H. Compton Is New Principal Terrell High

J. H. Compton assumed his duties as principal of the Terrell High school Monday.

Compton, a well-known teacher in this section, has been principal of the State Home High school since the present term began last month. He was in charge of the physical education program at the State Home last year, and prior to that time was connected with the Corsicana schools for a number of years.

The principal was coach at Corsicana Junior High school for several years, and later served several terms as principal of the William B. Travis school.

His resignation as principal of the State Home High school was effective Sunday, Oct. 15. He plans to move his wife and son to Terrell immediately.

Second Concrete Mixer Employed

Building operations on the new Navarro County Memorial Hospital were stepped up this week-end when a second concrete mixing plant was pressed into use, Joe D. Huffstutler, county judge, reveals.

The pouring of retaining walls on the east and south side of the basement is in full swing, while number of columns were poured Thursday.

Mrs. Blankenship Services Friday

Funeral services for Mrs. May Blankenship, 66, who died at the family residence, 920 South Eighth street Thursday, were held Friday at 3 p. m. from the Corley Funeral Chapel.

The rites were conducted by Rev. W. F. Lovelady, pastor of the Missionary Baptist church. Burial was in Oakwood cemetery.

The family moved to Corsicana in 1937 from Dallas.

Surviving are her husband, R. L. Blankenship, Corsicana; a son, Walter A. James, Austin; a granddaughter, Kathy Sue James, Austin.

Funeralbearers were Bert Herbert, Robert Quinn, Hoyt Blackmon, Lester Blackmon, Hugh Cummins and Joe Pickering.

Rev. Edwards Is Speaker For Club
Rev. Hayden Edwards, pastor of the Polytechnic Methodist church of Fort Worth, will be the principal speaker at the quarterly banquet of the Methodist Men's Dinner Club of the First Methodist church Thursday night, Oct. 19, at 7 o'clock.

The banquet will be served by the women of the church in the educational building. There will be other features on the program and the annual election of officers.

Rev. Edwards, former national chaplain of the Lions Club, has visited Corsicana several times and at one time addressed the Lions Club here.

HOME FROM HOSPITAL

Carolyn Carroll, five-year-old daughter of Mr. and Mrs. Sam Carroll, is home after a three months stay in a Waco hospital after being stricken with polio.

Award W.J. McKie Scholarship To Andrew McColpin

AUSTIN, Oct. 14.—(Spl)—Andrew Kerr McColpin of Corsicana has been awarded a W. J. McKie Scholarship of \$250 in the University of Texas School of Law.

Awards are made on the basis

of character, scholastic record, and promise of accomplishment in the legal profession.

Preference is given to students who have done their pre-law work in the University.

A second-year law student, McColpin has completed 28 hours of University Law School work with a "B" average. A member of Tejas social club, he belongs to Phi Sigma Alpha, honorary government and political science fraternity.

His parents are Mr. and Mrs. J. J. McColpin, 1800 Woodlawn.

AMERICA IS THE ...

Land of the Free

BUT AMERICA IS NOT THE LAND OF THE FREE HANDOUT

Our Nation was founded on the principle that Freedom must be paid for—and is well worth paying for.

The American people have made great sacrifices in payment for liberty.

But they have refused to sacrifice liberty for promised "security"...to trade freedom for the spurious "safety" of State Socialism.

This firm is proud to be part of a community and a country where each American is free to worship

as he chooses—and grants that same privilege to his neighbor...where a business is free to create a better product, and to compete in the open market for patronage.

Unfettered by political controls, American medicine has made this the healthiest, strongest Nation in the world. Socialized medicine would endanger our physical health, our economic welfare and our political freedom.

With American medicine, we say...

Let's keep our right to manage our own lives...to earn our liberty...to keep America the
